TO: MEMBERS

CYPRUS CHAMBER OF COMMECE AND INDUSTRY

Dear Members,

Join the Cyprus-Kazakhstan Business Association

The Cyprus- Kazakhstan Business Association is a new dynamic Business Association created and functioning under the auspices of the Cyprus Chamber of Commerce and Industry with the aim of promoting the business cooperation between Cyprus and Kazakhstan.

Recognizing the tremendous potentials that the signing of the new Double Tax Treaty between the two countries entails, and numerous other factors, the Association that already counts over 30 members is fast becoming the first point of contact for businesses interested to expand their operations and business relationships in Kazakhstan.

A large number of events are currently in the pipeline in an attempt to educate, inform and assist in networking and gaining access to this new market, so we invite all interested companies to join the Association and be part of this new business community. Registrations must be done online by [clicking here](#). Registration fee is set at €200 per annum.

For more information interested parties can contact Mrs Lia Riri, Board Secretary of the Association on 22889720 or by email lia@ccci.org.cy.

Yours sincerely,

Lia Riri
